

After Hours Emergency Claim Call Service 1-800-698-2364

When you need us most, we're there!
That's what our commitment to members is all about.

*Primex³ is pleased to offer our **Emergency Claim Call Service** for all members of the Property and Liability Program.*

As a Member of the Primex³ pool, you are able to call Primex³ after normal business hours if you need help or direction dealing with a Property & Liability claim emergency or to report a catastrophic loss — any time, seven days a week.

Such emergencies might include severe damage to property, a town vehicle or may involve a member of the public on public property. This convenient feature is an added emergency service. It is not meant to replace those procedures already used for regular claim reporting.

Simply call Primex³ at our regular toll-free number — 1-800-698-2364 — and follow the instructions to report an emergency. Your message will be forwarded immediately to a claims consultant who is on call 24-hours a day. We will get back to you promptly.

We hope that circumstances never arise to make you need the After-Hours service. However, if you do, we will be there — ready and waiting — because Primex³ recognizes that serious loss is not confined to normal work week hours.

After all, that's what our commitment to our members is all about.

About Us

Primex³ stands ready to provide our school, municipal, county and special district members with the most comprehensive coverage and services available to New Hampshire local government.

When something unexpected occurs in the process of conducting the public's business, you can count on the trusted Primex³ team to manage the services you require. Our programs are carefully designed to fit the unique needs and challenges of our membership. We are committed to keeping our members at the forefront of everything we do.

Primex³ Has You Covered 24 Hours a Day, Seven Days a Week
