

2020 Labor Law Training Seminar Offered

The New Hampshire Department of Labor is offering a Labor Law training seminar on how to stay in compliance with NH Labor Laws. The United States Department of Labor will join us again this year. The seminar will be offered on 16 dates at a variety of locations throughout the state. These events are free and open to employers, businesses and the public. These seminars are made possible by the generosity of the businesses donating their establishment's function room to host these events.

PLEASE NOTE: This year's seminars are starting at 8:30 am and ending at 12:00 pm in an attempt to give the presenters and the audience more time for Q & A.

Registration opens Monday, February 24, 2020 at 9:00am

If you have 10 or more persons to register, please contact the NHDOL to discuss scheduling a separate training session.
